

April 22 - IEC ED Covid-19 Sharing Session

Below are resources and quick notes discussed on the zoom meeting.

OSHA Resources – For online training.

American Safety Council: <https://www.americansafetycouncil.com/>

IEC of Oregon uses them for OSHA 10 for 1st Year.

Contact: diane.roman@amersc.com

United Academy: <https://unitedacademy.ur.com/>

IEC Rocky Mountain uses them for training.

Virtual Events/Trade Show Information and Pricing: <https://www.accelevents.com/>

Other Notes

- Polling apprentices throughout the class with questions ensure that the apprentices are still paying attention and engaged in class.
- Chapters are offering their members webinars to add value. Some members are feeling tapped out to webinars, so chapters are calling them different names such as forums, round tables, or town halls.
- Send a summary of resources discussed on the virtual meeting whether they participated or not.
- Have asked Partners if there are any specials they would like to be promoted to members.
- Have Partners participate and sponsor virtual meetings.
- If you are interested in the checklist for OSHA 10 and 30-hour outreach training program requirements, contact [Luisa](#) for a copy.
